Re: Amerada Hess Corporation -- RJR Retail Partners Contract  
Hess Gas Stations CID #0353-01-00 and 0353-02-00  
Hess Marts CID #0353-03-00

Dear Managers:

R. J. Reynolds has entered into an agreement with Amerada Hess Corporation to implement our Retail Partners Base Contract. All Hess Mart Convenience Stores qualify for our Self Service Base Contract (3 footprints) and the Hess Gas Stations qualify for our NSS Base Contract.

Hess Mart Locations: (See enclosed store POG's)

- (2) Two RJR Full Price displays per store
  - 8 row display with Enhanced Large Top Signs
- (1) One RJR Savings display (back bar location)
  - 16 row unit in locations with a BAT display
  - or
  - 24 row unit in locations without a BAT display

Special Note: In the Hess Marts with our 16 row Savings display, Hess has approved a flighted 40 pack temporary display each time the S/R calls on the store to implement our GAP strategy.

Hess Gas Stations: (Non-Self Service)

Hess has authorized our NSS Base Contract for all locations, however, it will be the responsibility of the local S/R or Manager to determine if the three (3) footprints are workable in each individual Gas Station. This is due to the numerous different size locations chainwide.

- (2) Two RJR Full Price displays per store
  - 9 row suction cup window displays
- (1) One 16 row RJR Savings display

"We work for smokers."

Attached find three (3) Non-Self Service Gas Station POG's which are to be utilized in placing our NSS displays. Your S/R's with Hess Gas call accountabilities will approve all display placements. All display locations must be agreed upon by the RJR Representative and the Station Manager. If plan-o-gram changes are necessary, instruct your S/R's to identify the revised location on the POG utilizing our display codes 5 F/P, 6 SAV, which appears on the bottom of the page. When display location is agreed upon, *the S/R and the Station Manager will sign the POG*. The S/R should retain a copy for their files. Do not forward copies to me, I will obtain copies from Hess Corporate.
